

PERFORMANCE COACH

Siaosi Andy

Financial Adviser

Bachelor of Business – Accounting and Economics

Coming from a big Samoan family, helping others is not only in Siaosi's nature, it's in his blood.

Siaosi cut his financial teeth working for the IRD and while it provided him with great experience, he's a people-person, with a heart as big as his personality – which makes him a great financial coach.

At enable.me he's able to combine his financial nous with his deep-seated desire to help people do better. Siaosi's financial role model is his Dad, Andy, a hard-working man who moved the family to New Zealand, arriving with nothing.

Siaosi has a great sense of humour which helps him put his clients at ease, making them comfortable to tackle the big stuff.

A family man, Siaosi loves playing rugby, getting outdoors and spending time with his two boys.
